HELP TURN YOUR CHILD'S STRUGGLES INTO STRENGTHS

The Beyond This Leadership Academy is unique in that results are measurable. We can show you in a report how well your child is responding to our social emotional learning (SEL) program. But, more importantly, we think you'll see the most positive results in your child's overall attitude.

Because of our success in schools, Beyond This is expanding its SEL program to locations all over Central Indiana including, Indianapolis, Brownsburg, Fishers, Carmel, Broad Ripple, and Kokomo.
